IMPORTANT INFORMATION

Photo sizes must be 5 x 7 maximum (in line with National Rules) Along with your photos please provide a usb memory stick with your entry's loaded onto it, please label this with your name in the same envelope you submit your entry form and photos, this will really help the club with content for our BT. (this is not compulsory, however if you win a category we will need a digital copy for the national competition as all winners are automatically entered free of charge and National require a digital copy)

If your photo is not placed first, it will not automatically be sent by the club to the national competition. But if you think your snaps have got what it takes please feel free to enter them of your own accord, call National Office on 04 499 6165 and request an entry, entering photos to national is approximately \$5 per category, national also have photo essays and other category's, to find out more visit:
